

We are here to help YOU!

Montana Job Service...

- Distributes local, state, and national job openings that can be accessed right from our website. Employers also visit our website to locate qualified job seekers.
- Offers a wide variety of online and downloadable job seeker tools and information.
- Helps you develop effective Cover Letters and Resumes that generate employer interest.
- Helps you learn **how-to** best present yourself to employers so you can compete in the local labor market.
- Answers employment related questions and provides resource information for complex issues.
- Administers applicant skills tests, provides job readiness consulting, interview and job search assistance.
- Is your link to Montana labor laws and your rights as an employee.
- Provides Military Veteran's with enhanced employment services, support and resources.
- Provides a connection for you to other services and Job Service offices statewide.

And there's more!

- We obtain and interpret state-wide labor market facts to show you the best job & career opportunities.
- We provide career counseling and assessments – **FREE OF CHARGE!**
- We provide information about Training providers, Universities, Trade Schools, and other educational resources.
- We help with workforce growth, support, and networking to other development agencies.
- We are your community gateway for employment and career training and schooling assistance.
- We have a resource library of books, brochures and other educational information to help you get work.
- We connect you to other State agencies such as Wage & Hour, Unemployment Insurance, and Workers' Compensation.

We also...

- Maintain an *amazing* website relating to jobs, recruiting, and other information for the busy job & career seeker! <https://jobs.mt.gov>
- Organize and host employment-related and resource workshops and events throughout the year.
- Administer various training/employment programs that may help with costs—for training, tools, etc... Contact us before you make a training decision: "Inquire Before You Pay for Schooling."

ALL SERVICES ARE PROVIDED AT NO COST TO YOU!

Please contact us with any questions—we look forward to working with you.
